

HEALTH & SAFETY GUIDANCE

Better your visit with us...

Keep Clean!

Remember to wash your hands after you touch the animals or their pens and especially before eating or drinking, and after removing footwear.

It is your decision whether a child is allowed to touch or feed the animals. This especially needs to be considered for children who put things in their mouths or have a weak immune system.

To eliminate the risk of serious infection entirely, children should avoid contact with animals and their faeces.

It is primarily the parent or guardian's responsibility to supervise the washing of children's hands to help reduce the risk of infection. Hand washing facilities are sited on the exit of each animal barn.

Are you pregnant, or think you may be?

Pregnant ladies should avoid contact with ewes and newly born lambs as well as nanny goats and their kids. Please pick up a leaflet from the Gift Shop for more information. Published by the Health Protection Agency, 'Avoiding infection on farm visits'.

First Aid Facilities

First aid kits can be found at Reception/Shop.

In case of fire

In the event of a fire, raise the alarm and make your way to the Fire Assembly Point which is the gate by the Meerkat pen.

HAVE FUN & BE SAFE!

We hope that you enjoy your day with us...

Remember:

- **WASH HANDS PROPERLY** – use soap and water for two minutes then dry thoroughly after feeding or touching the animals
- **DO NOT** eat/drink in any animal areas
- **PLEASE** supervise your children at all times
- **PLEASE DO NOT SMOKE** whilst on the farm
- Please notify us in case of an emergency. Our first aid point is located in the Reception/Shop
- Our animals are checked regularly throughout the day but please notify a member of staff should you encounter a problem from a distressed animal

Thank you for visiting us at Little Owl Farm Park. We hope to see you again soon.

All groups catered for; schools, Brownies, Cubs, Mother & Toddlers etc. Enquire in shop.
