F.A.Q

Can we have guests siblings and extra adults?

Yes, you may have any extras you would like. However, they will be charged at normal entry price. Please make guests aware of this policy. If you wish to pay for any extras, we can do a tally and add it onto your end bill. Please let us know how you would like us to deal with extra guests before your party.

Do you provide a cake, knife and candles?

We **DO NOT** provide a cake or candles. This is your responsibility. We do provide a knife upon request (please ask your party guide when it is needed and it can then be brought straight back to the café).

Is it our responsibility to clean up after the party?

We ask you to clear the room of any rubbish (bins are provided) and just to generally clean it as much as possible. We will do the rest. If the room is not left in an acceptable manner—we will charge a £20 cleaning fee onto your bill.

Do we have exclusive use of the areas for the party?

The Soft Play is not exclusive. The Petting Barn has an exclusive area for parties to sit. The Party Room is exclusive use for your timeslot.

Do babies count as guests, in regards to numbers?

If a child is **UNDER 1** and **NOT** having food etc. then you do not have to pay for them and they are not included in the party numbers (they do not qualify for 1 free adult).
