F.A.Q

Can I buy an annual membership as a present?

Yes, you may buy an annual membership for a present, however you will need to know all details of who you are buying the membership for. You will also need to provide an electronic photo of who you are purchasing the membership for. This can be done by emailing a photo across to us.

Can I purchase an annual pass over the phone?

Yes, you may buy an annual membership over the phone. However you will need to have sent via email all members photos and annual membership form completed (either collect from Reception, and scan over a completed copy, or download one from our website and attach a completed copy). We will need to have received this BEFORE payment is taken, we can then take payment over the phone, and a pass can either be kept behind Reception ready for you, or you can pay £2 to have it posted out to you.

What if not all persons are present for photos when I purchase the annual pass?

If you wish to purchase an annual membership, photos need to be received BEFORE payment is taken, Therefore if not all persons are present for us to take their photo—then you will need to have sent photos of who isn't present to our email before purchasing.
