HEALTH & SAFETY GUIDELINES

Remember to wash your hands after you touch the animals or their pens and especially before eating or drinking, and after removing footwear.

It is your decision whether a child is allowed to touch or feed the animals. This especially needs to be considered for children who put things in their mouths or have a weak immune system.

To eliminate the risk of serious infection entirely, children should avoid contact with animals and their faeces.

It is primarily the parent or guardian's responsibility to supervise the washing of children's hands to help reduce the risk of infection. Hand washing facilities are sited on the exit of each animal barn and in the Top Fields.

ARE YOU PREGNANT, OR THINK YOU MAY BE?

Pregnant ladies should avoid contact with Ewes and newly born Lambs, Cows and newly born Calves as well as Nanny Goats and their Kids. Please pick up a leaflet from Reception for more information. Published by the Health Protection Agency, 'Avoiding infection on farm visits'.

FIRST AID FACILITIES

First Aid Point

First aid facilities and trained staff can be found at Reception/Shop. You will find the First Aid Point marked on our park maps and on various signs throughout the park as shown above.

We will now be open Thursday – Sunday and between the hours of 10:00am & 5:00pm.

FAQ'S CONTINUED

ARE YOU CLOSING SOME OF THE ATTRACTIONS?

Unfortunately we have had to close the small soft play area (opposite reception) and the Shoot Out Alley, however, we are pleased to confirm that we have now reopened our soft play area in the Physical Education Barn. Allocated time slots will apply during busy times to ensure there is a restricted number of children in the play area at one time. We are also adding another undercover play area to allow more areas for visitors to use.

ARE YOU LIMITING THE AMOUNT OF VISITORS IN THE PARK?

Social distancing is a key part to helping prevent the spread of COVID-19. With this in mind, visitors will still be required to prebook on weekends and school holidays. We are now in our quieter time of year so we do not require visitors to pre book for visits on weekdays during Term Time. We will continue to monitor visitor numbers to ensure we do not exceed our restricted visitor numbers.

ARE YOU ACCEPTING CASH PAYMENTS ON-SITE?

We are no longer accepting cash payments on site. However, we are accepting pin and card payments once visitors are on site.

WILL WE HAVE ACCESS TO HAND-WASHING FACILITIES?

Although we have always been set up for regular hand washing, we have added additional hand washing points around the farm park. We now have NINE hand washing areas, all with warm water and anti-bacterial soap. As an additional cleaning aid, we have also added a number of hand sanitiser dispensers where hand washing facilities are not as accessible. So keeping your hands clean is even easier!

We have condensed the menu down to allow for a quick ordering process, so please check the menu which will be emailed to you along with your booking confirmation. We are also in the process of having a system created to allow you to order and pay for your food through your phone, so watch this space for more information.
